

*May the warmth within your home
reflect the love within your hearts
as you gather together to celebrate Christ's birth.*

Family ties give all our days a warm and loving touch.

*The 2010 "Faith Walkers" Grand Family
hopes that the holidays find you and your family doing all the things you most enjoy
and spending time with those who make your hearts happy.*

Life, love, and family create warm memories.

*Christmas help us remember those
who touch our lives with kindness all year long.*

Wishing you a blessed Christmas!
